The Parties shall accord national treatment to the goods of other Parties in accordance with Article III of the GATT 1994, including its interpretative notes. To this end, Article III of the GATT 1994 and its interpretative notes are incorporated into and form part of this Agreement.

**ARTICLE 2.4
Most-Favoured-Nation Treatment**

1. With respect to customs duties and charges of any kind imposed on or in connection with importation or exportation or imposed on the international transfer of payments for imports or exports, and with respect to the method of levying such duties and charges, and with respect to all rules and formalities in connection with importation and exportation, and with respect to all matters referred to in paragraphs 2 and 4 of Article III of GATT 1994, any advantage, favour, privilege or immunity granted by a Party to any good originating in or destined for the territory of any third country shall be accorded immediately and unconditionally to the like good of the other Party or like good destined for the territory of such Party.
2. The provisions of paragraph 1 shall not apply to preferences:

3. If at any moment a Party reduces its applied Most-Favoured-Nation (MFN) customs duty rate to a level below the base rate in relation to a particular tariff line, the MFN applied rate shall be deemed to replace the base rate in the Schedule, for as long as the MFN applied rate is lower than the base rate, for the purpose of the application of the preferential rate for that particular tariff line. In this regard, the Party shall effect the tariff reduction on the MFN applied rate to calculate the applicable preferential rate, maintaining at all times the relative margin of preference. The relative margin of preference for any given tariff line corresponds to the difference between the base rate set out in the Schedule of Tariff Commitments in Annexes 2B (UAE Schedules of Tariff Commitments) and 2C (EAEU Schedules of Tariff Commitments) and the applied duty rate for that tariff line in accordance with the Schedule of Tariff Commitments in Annexes 2B (UAE Schedules of Tariff Commitments) and 2C (EAEU Schedules of Tariff Commitments) divided by that base rate, expressed in percentage terms.

Any such unilateral acceleration or broadening of the scope of the elimination of customs duties will not permanently supersede any duty rate or staging category determined pursuant to their respective Schedule nor serve to waive that Party's right to raise the customs duty back to the level established in its Schedule in Annexes 2A (Schedules of Tariff Commitments), 2B (UAE Schedules of Tariff Commitments) and 2C (EAEU Schedules of Tariff Commitments) following a unilateral reduction.

ARTICLE 2.7

Such notice shall contain the information set out in Article 25.3 of the SCM Agreement.
